(Preschool)

As part of our British science week, we tried many different experiments, including colour mixing in bags.

We also made Mother's Day cards, and invited our mothers and nannies

for Mother's Day. We would like to thank everyone who came.

In April, our themes are around Spring and growing. Preschool have been looking at lifecycles of animals, and our children have all enjoyed watching our chicks hatch.

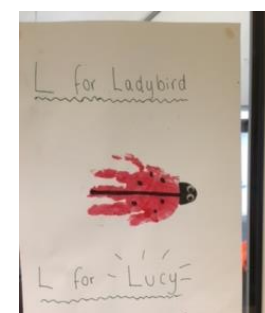

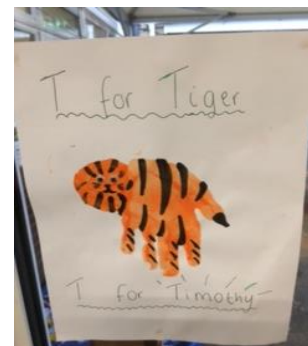

All children will be celebrating Easter & St George's Day.

(Toddlers)

In March we have been focusing on lots of different types of animals. Our children have also enjoyed reading and looking at Gruffalo and Elmer the elephant.

We were also busy making our Mother's Day cards.

In April we will be looking at the following theme: Spring, this will encompass growing, life cycles and planting.

We would like parents in the Butterfly Room to bring in some baby photos of children so we can talk about them at circle time.

(Baby Room)

We have been focusing on our baby needs, and have been going for many walks. We have been painting, and playing with our sensory toys.

Kiddybus

We are delighted with our recent purchase, and have had many compliments from people outside when going on our walks. Our children have particularly

enjoyed riding in the bus.
